

TeamQ Report

Team-Q was developed for self and peer assessment of an individual's teamwork skills. It is designed for undergraduate education as a practical method for assessing teamwork as a learning outcome. The following describes teamwork behaviors, with students report on a five point scale how often their peers (and self) demonstrate each of the behaviors (Never, Sometimes, Usually, Regularly, Always).

TeamQ Ratings Radar

Below is a radar chart that presents the results of your teammates rating of your abilities and your own ratings of your abilities. The ratings of your teammates have been averaged together for ease of comparison.

Suggestions to Improve

Part of the TeamQ was to “Write one specific, actionable goal to help your teammate improve their teamwork competency”. Presented below are the goals you wrote for yourself, followed by the goals your teammates wrote for you.

Feedback	Comment
others	You were a pleasure to work with You always finished things in a timely manner usually ahead of time and produced some great work You were always open to others ideas Thank you for your constant positivity and enthusiasm Keep doing what you re doing
others	Keep on taking the initiatives to get a start on things early Your assertiveness is to be admired however don t forget to be inclusive of others who are less assertive
others	Fatima is a great team member She is always positive attends every meeting and is always volunteering to take on portions of the work She always completed her tasks and often offered to help others when we were crunched for time
